PATENT LICENSE AGREEMENT AGR-0008

SYNTHETIC DOCUMENT. GoNoGo generated this agreement for evaluation. It is not a real NASA license.

This Patent License Agreement ("Agreement") is entered into on December 1, 2017 by the National Aeronautics and Space Administration ("NASA"), an agency of the United States, and Bluefin Aerostructures, Inc. ("Licensee"), having its principal place of business at 3 Runway Drive, Wichita, KS 67209.

Article 1. Grant. Subject to the terms of this Agreement, NASA grants Licensee an exclusive license under the Licensed Patents to make, use, and sell Licensed Products within the Field of Use and the Licensed Territory. The Licensed Patents are NASA Case No. LEW-18492-1.

Article 2. Field of Use. The Field of Use is limited to spacecraft systems.

Article 3. Licensed Territory. The Licensed Territory is United States (ISO 3166 code US).

Article 4. Term. This Agreement takes effect on January 1, 2018 and remains in force until December 31, 2024, unless terminated earlier under its terms.

Article 5. Royalties. Licensee shall pay NASA a running royalty of 3.8 percent of Net Sales and a minimum annual royalty of 5,000 U.S. dollars. This Article is confidential.

Article 6. Sublicensing. Licensee may not grant sublicenses under this Agreement.

Article 7. Export Control. Licensee shall comply with all United States export control laws and regulations that apply to the Licensed Products and related technical data.

Article 8. Signatures. Signed for NASA by the Licensing Officer, NASA Glenn Research Center, and for Licensee by its authorized officer.
