PATENT LICENSE AGREEMENT AGR-0029

SYNTHETIC DOCUMENT. GoNoGo generated this agreement for evaluation. It is not a real NASA license.

This Patent License Agreement ("Agreement") is entered into on January 17, 2019 by the National Aeronautics and Space Administration ("NASA"), an agency of the United States, and Halcyon Sensorics GmbH ("Licensee"), having its principal place of business at Lindenstrasse 14, 70173 Stuttgart.

Article 1. Grant. Subject to the terms of this Agreement, NASA grants Licensee a partially exclusive license under the Licensed Patents to make, use, and sell Licensed Products within the Field of Use and the Licensed Territory. The Licensed Patents are U.S. Patent No. 6,753,293 (NASA Case No. LAR-15851-1-CU); U.S. Patent No. 7,371,358 (NASA Case No. LAR-16001-1); U.S. Patent No. 7,390,768 (NASA Case No. LAR-16307-1-SB).

Article 2. Field of Use. The Field of Use is limited to Heating Ventilation and Air Conditioning and/or similar fields of use thereto. DATES: The prospective partially exclusive patent license may be granted unless NASA receives written objections, including evidence and argument, no later than November 23, 2018 that establish that the grant of the license would not be consistent with the requirements regarding the licensing of federally owned inventions as set forth in the Bayh-Dohl Act and implementing regulations.

Article 3. Licensed Territory. The Licensed Territory is United States (ISO 3166 code US).

Article 4. Term. This Agreement takes effect on January 22, 2019 and remains in force until January 19, 2029, unless terminated earlier under its terms.

Article 5. Royalties. Licensee shall pay NASA a running royalty of 2.4 percent of Net Sales and a minimum annual royalty of 50,000 U.S. dollars. This Article is confidential.

Article 6. Sublicensing. Licensee may grant sublicenses within the Field of Use with the prior written consent of NASA.

Article 7. Export Control. Licensee shall comply with all United States export control laws and regulations that apply to the Licensed Products and related technical data.

Article 8. Signatures. Signed for NASA by the Licensing Officer, NASA Langley Research Center, and for Licensee by its authorized officer.
