PATENT LICENSE AGREEMENT AGR-0040

SYNTHETIC DOCUMENT. GoNoGo generated this agreement for evaluation. It is not a real NASA license.

This Patent License Agreement ("Agreement") is entered into on March 25, 2021 by the National Aeronautics and Space Administration ("NASA"), an agency of the United States, and Silverpine Software, LLC ("Licensee"), having its principal place of business at 410 Pine Street, Seattle, WA 98101.

Article 1. Grant. Subject to the terms of this Agreement, NASA grants Licensee a partially exclusive license under the Licensed Patents to make, use, and sell Licensed Products within the Field of Use and the Licensed Territory. The Licensed Patents are U.S. Patent No. 7,075,295 (NASA Case No. LAR-16571-1); U.S. Patent No. 7,589,525 (NASA Case No. LAR-16571-2); U.S. Patent No. 7,759,932 (NASA Case No. LAR-16571-3).

Article 2. Field of Use. The Field of Use is limited to polypropylene and plastic containers and pipes, and associated fittings and joints, within residential structures, and including but not limited to the non-destructive evaluation of the aforementioned containers and pipes and the detection of conditions and states of the contents therein, and/or similar field(s) of use thereto.

Article 3. Licensed Territory. The Licensed Territory is United States (ISO 3166 code US).

Article 4. Term. This Agreement takes effect on March 30, 2021 and remains in force until March 28, 2031, unless terminated earlier under its terms.

Article 5. Royalties. Licensee shall pay NASA a running royalty of 3.3 percent of Net Sales and a minimum annual royalty of 50,000 U.S. dollars. This Article is confidential.

Article 6. Sublicensing. Licensee may grant sublicenses within the Field of Use with the prior written consent of NASA.

Article 7. Export Control. Licensee shall comply with all United States export control laws and regulations that apply to the Licensed Products and related technical data.

Article 8. Signatures. Signed for NASA by the Licensing Officer, NASA Langley Research Center, and for Licensee by its authorized officer.
