PATENT LICENSE AGREEMENT AGR-0045

SYNTHETIC DOCUMENT. GoNoGo generated this agreement for evaluation. It is not a real NASA license.

This Patent License Agreement ("Agreement") is entered into on July 27, 2021 by the National Aeronautics and Space Administration ("NASA"), an agency of the United States, and Hanover Instrument Labs, Inc. ("Licensee"), having its principal place of business at 77 Elm Street, Hanover, NH 03755.

Article 1. Grant. Subject to the terms of this Agreement, NASA grants Licensee a partially exclusive license under the Licensed Patents to make, use, and sell Licensed Products within the Field of Use and the Licensed Territory. The Licensed Patents are U.S. Patent No. 11,912,078 (NASA Case No. LEW-20196-1).

Article 2. Field of Use. The Field of Use is limited to powered bicycles with two wheels; electric-powered two-wheeled bicycles with pedal assist and a maximum speed of 20 miles per hour (MPH); and electric-powered kick scooters with a maximum speed of 20 MPH. DATES: The prospective partially exclusive license may be granted unless, within fifteen (15) days from the date of this published notice, NASA receives written objections including evidence and argument that establish that the grant of the license would not be consistent with the requirements regarding the licensing of federally owned inventions as set forth in the Bayh-Dole Act and implementing regulations.

Article 3. Licensed Territory. The Licensed Territory is United States (ISO 3166 code US).

Article 4. Term. This Agreement takes effect on August 1, 2021 and remains in force until July 30, 2031, unless terminated earlier under its terms.

Article 5. Royalties. Licensee shall pay NASA a running royalty of 1.8 percent of Net Sales and a minimum annual royalty of 10,000 U.S. dollars. This Article is confidential.

Article 6. Sublicensing. Licensee may not grant sublicenses under this Agreement.

Article 7. Export Control. Licensee shall comply with all United States export control laws and regulations that apply to the Licensed Products and related technical data.

Article 8. Signatures. Signed for NASA by the Licensing Officer, NASA Glenn Research Center, and for Licensee by its authorized officer.
