PATENT LICENSE AGREEMENT AGR-0090

SYNTHETIC DOCUMENT. GoNoGo generated this agreement for evaluation. It is not a real NASA license.

This Patent License Agreement ("Agreement") is entered into on March 25, 2022 by the National Aeronautics and Space Administration ("NASA"), an agency of the United States, and Copperline Diagnostics, Inc. ("Licensee"), having its principal place of business at 1500 Research Parkway, Madison, WI 53719.

Article 1. Grant. Subject to the terms of this Agreement, NASA grants Licensee an exclusive license under the Licensed Patents to make, use, and sell Licensed Products within the Field of Use and the Licensed Territory. The Licensed Patents are NASA Case No. LAR-16308-2.

Article 2. Field of Use. The Field of Use is limited to coatings.

Article 3. Licensed Territory. The Licensed Territory is North America.

Article 4. Term. This Agreement takes effect on April 1, 2022 and remains in force until March 31, 2027, unless terminated earlier under its terms.

Article 5. Royalties. Licensee shall pay NASA a running royalty of 2.7 percent of Net Sales and a minimum annual royalty of 25,000 U.S. dollars. This Article is confidential.

Article 6. Sublicensing. Licensee may grant sublicenses within the Field of Use with the prior written consent of NASA.

Article 7. Export Control. Licensee shall comply with all United States export control laws and regulations that apply to the Licensed Products and related technical data.

Article 8. Signatures. Signed for NASA by the Licensing Officer, NASA Langley Research Center, and for Licensee by its authorized officer.
